## HELP

The Oral Herstory Library 2325 Oak St. Berkeley, Ca. Needs Volunteers to order, listen to and publicize women's tapes which will be ordered from the producers. Call Judy, 524-7772, Janice, 848-3583.

A Statement by the Subscribers Organizing Committee  
We believe that people have the right to be involved in and have control over those institutions which affect their lives.

And we believe that when this condition comes to exist at KPFA there will be produced the kind of vitality that will give the station a turning-point impact on the total society.

Specifically, we present the following to serve as a basis for discussion leading toward such vitality:

1. That the Executive Membership, originally a part of the Pacifica Foundation By-Laws, be revised and be given its original authority to elect the Board of Directors of the station.

2. That membership in the Executive Membership be extended to anyone who has subscribed to KPFA for over one year at some time in the past and who has contributed at least 50 hours of approved volunteer work for the station or who has donated at least \$100. to the capital funds of the station.

If this makes sense to you, you may want to contribute a dollar or two to help defray the cost of this ad and to contact us by phone or mail.
